# PARAGON SECURITY

What happened? Who was involved? When did things occur? At Paragon, our Investigative Services Division offers professional service tailored to your specific needs.

We have over thirty years of experience in the Investigative Services Division. Our services are structured to offer complete solutions or simply provide support and specialty services for your investigation or legal team.

## OUR EXPERIENCE

**James Ronald 'Ron' Baldwin CFE CFEI CFI CIP**

Ron leads the Investigative Services Division at Paragon. He has been selected for his direct experience in the industry and his professional approach to management and problem solving. The team relies on his many years of experience in policing and investigations to help provide the best possible strategies for our clients.

Ron served as a police officer from 1974 to 1989. During this time he worked in; Criminal Investigations, Fraud and Intelligence Bureaux. In 1990 Ron took an investigative position with the Insurance Crime Prevention Bureau, and more recently with two large insurance companies as a key operator in their in-house Special Investigations Unit and Corporate Security offices.

Our goal is to find hard evidence. Our process is thorough. Our people are committed and professional.

The Paragon Investigative team have years of policing and investigations experience, with literally thousands of cases logged. This expertise is our best resource in approaching new client situations and requests. You can rely on the fact that the individuals handling your account are responsive, knowledgeable and considerate to every client need.

*“We like to think of it as our department of WHAT HAPPENED”*

## ***Corporate Security, Theft - Fraud***

Your facility is buzzing with activity and things seem to disappear. Paragon Investigations will determine your point of loss and help protect; property, information, employees and reputation, or your brand.

## ***Fraud***

We are experienced in fraud detection, investigation and countermeasures. Document analysis, polygraph and handwriting analysis experts are available.

## ***Fire Investigation***

Site examinations conducted by experienced and certified investigators. Reviews include motive, means, opportunity, and point of origin ( incendiary or accidental).

## ***Surveillance***

We are licensed investigators with years of static and mobile surveillance experience. We can easily located subjects and gather evidence in a discrete professional manner.

## ***Evidence Collection & Handling***

Qualified representation to all levels of court in both criminal and civil litigation matters. Our strength is our ability to recognise collect store and present all forms of evidence.

## ***Prevention Consulting***

You have found issues in your workplace and resolved them. Now its time to think about the long term, our consulting team can help with your security plan through risk management, policy, procedure and leakage review.

## ***Cargo Theft***

30+ years of helping companies keep their loads safe through investigative services, risk management, procedure review. Additionally we offer escort services for precious cargo.

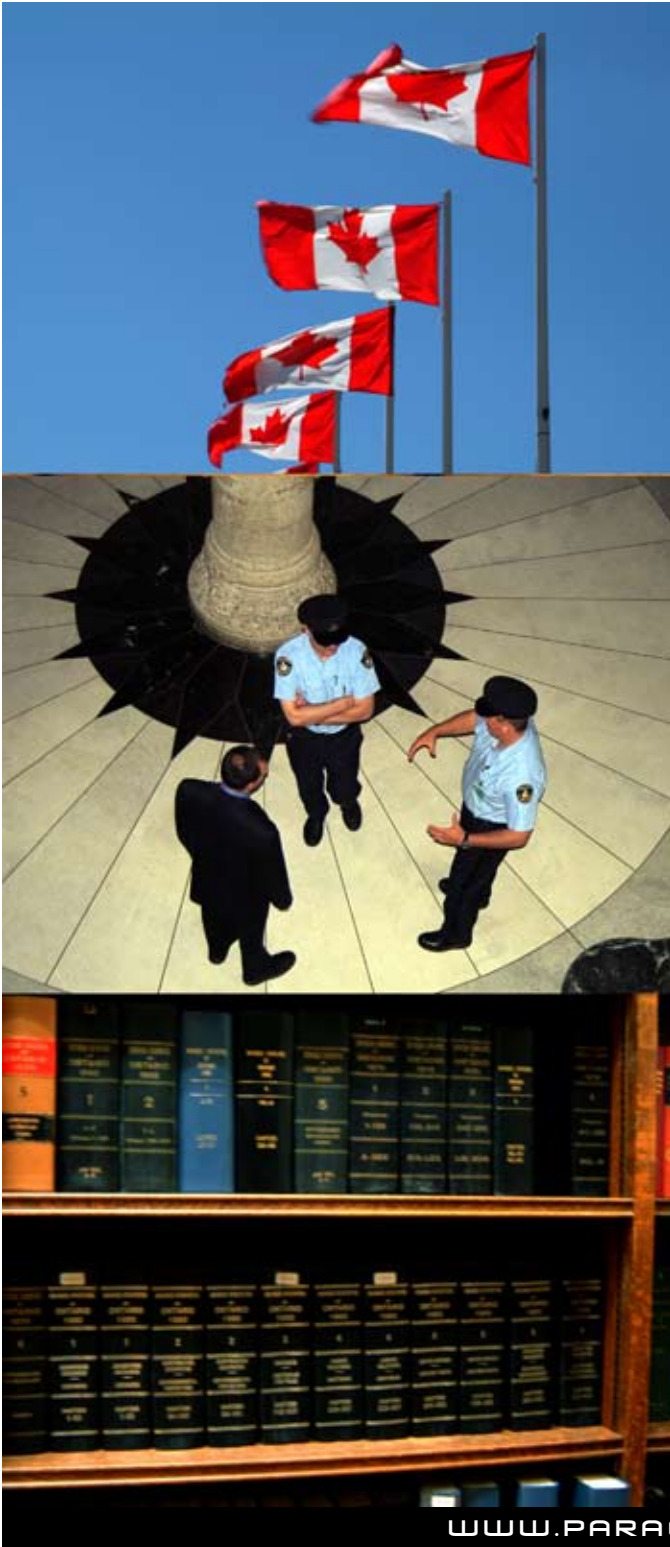

*A scalable  
resource for  
your Legal  
Team*

The courts have very specific needs. Time is of the essence and there is no margin for error.

Our long history of policing gives Paragon a valuable perspective on the legal process. We understand the complexity of collecting hard evidence, the pressure of time lines and the attention to detail required to effectively service your needs.

Use Paragon as your scalable resource to maximize your work efforts. You will benefit from our knowledge of legal protocol and experience in operating under pressure.
